

HEADLAMP UPGRADE KIT £85

0182767714; www.s-v-c.co.uk

These SVC replacement lights are said to be 50% brighter than the the standard Lucas 7in items on a Triumph Spitfire. The firm claims that the lightweight units will never rust, too. The cost of buying the individual parts works out at £105, so there's a hefty saving if you go for the kit offer.
